As well as the beautiful terracotta, wooden boards and food gift items that have been continuously successful, this year marks the exciting introduction of the new Vintage Italian and Barware ranges. As a result, this top-quality gift offering is now broader and more varied than it ever has been. Using a combination of styles, colours, finishes and pops of playful typography, the offering caters for all. From sleek barware to fun and poppy slogan textiles, right through to afternoon tea items and wooden boards perfect for entertaining.

BARWARE GIFTS

Jamie's shaken up his focus this past year, growing his *Drinks Tube* channel and gathering the best tips, tricks and recipes for all things thirst-quenching. This range captures Jamie's excitement for tasty tipples and brings pro drink-making into the home for everyone to try. This range has everything you need for incredible entertaining and knocking out delicious DIY bevies. Shake it up with fun cocktail sets, smash it up with the practical ice hammer and bag then serve up in the gorgeous new blown glassware. Next to it is a stainless steel jigger with "POUR IT" engraved on its side. A tall, elegant glass stands in the background. In the center, a wooden muddler with "MUDDLE IT" engraved on its handle is visible. To the right, a glass shaker with "SHAKE IT UP" engraved on its side is shown. In the foreground, a small glass with "CHEERS" engraved on its side is visible. A wooden coaster with "CHEERS" engraved on it is also present. A small metal spoon lies on the wooden surface in the foreground. The background is a light-colored, textured wall.
