

Ideal dispensing solutions for your washrooms to reduce cost, waste and maintenance.

Lower your operational costs with Bay West dispensers, perfect for high traffic or problematic washrooms. Specially designed for the 'away from home' market to provide solutions for all your most common issues.

- Reduce Consumption
- Minimise Waste
- Prevent Abuse
- High capacity to maintain availability
- Range of colours to suit all washrooms

*"We are extremely happy with the Bay West range of dispensers. The systems work very well for us in these high-traffic venues where there is a constant stream of visitors using the washrooms".*

Stephen Brannigan - General Manager, Elior UK
